

Exhibit 1

DECLARATION OF LOUISE GREEN

I, Louise Green, declare under penalty of perjury under the laws of the United States of America that the following is true and correct:

1. In 1995, Master Alex Suh of the World Kuk Sool Association attended a presentation in Eastbourne, UK where he signed my Kuk Sool Won Book 1 and dated the signing. I possess photographic evidence of this event and still have the signed book to this day.
2. During the Norwich tournament in 1995, Master Alex Suh made a beeline for me at the tournament. We engaged in casual conversation initially. He then suggested we find a more private setting to continue our chat, leading us to a secluded room I had not expected to enter. This room contained a bed and was also where the Grandmaster's uniform was displayed.
3. Our conversation covered various topics until it shifted in nature. Despite my religious convictions and reluctance to engage in further physical intimacy, Master Alex Suh was relentless. He disregarded my repeated refusals and continued to pressure me saying that "it would be fine." I told him that his dad would be back. He kept going and didn't stop.
4. Without my consent and against my clear objections, Master Alex Suh raped me. Throughout this ordeal, I fixated on the Grandmaster's uniform hung in the room, feeling detached from the reality of what was happening to me.
5. Following this incident, Master Alex Suh expressed a desire for me to visit America and maintained correspondence to that effect. I ultimately responded, making it clear that I would not travel to America.
6. The aftermath of this event has been profoundly distressing, and I have struggled to articulate the full extent of its effects on me.

I affirm that the foregoing account is provided based on my personal knowledge and recollection of the events described.

Executed on this 15th day of April, 2024, at 19:30 in the UK.
